

Make a Difference

Tell Sanibel City Council that you

- ❖ ***oppose*** spending millions of tax dollars to remove the Australian pines that have contributed to Sanibel's unique character for at least a century
- ❖ ***oppose*** plans to destroy the habitat of countless native birds and tinker with a balance of nature that has flourished for more than 100 years
- ❖ ***oppose*** the extremist environmental purism of the City's Vegetation Committee, which advises the eradication of Australian pines on Sanibel
- ❖ ***oppose*** the mandatory removal of Australian pines on private property
- ❖ ***favor*** a compromise plan that preserves Australian pines and educates their owners on responsible management
- ❖ ***favor*** the creation of a permanent city committee to oversee the preservation of Australian pines on Sanibel
- ❖ ***favor*** retention of language in The Sanibel Plan that protects Australian pines
- ❖ ***favor*** a City Charter provision that assures the permanent protection of Australian pines on Sanibel
